March 2021

Dear Brothers and Sisters:

I hope everyone is well coming into a New Year and looking forward to Rolling Thunder XXXIII, “Ride for Freedom” on May 30, 2021 in New Jersey. Nationwide our Chapters are putting together demonstration rides across the U.S.A. Visit our website for information.

Hopefully many supporters that could not come to Washington, DC can make the trip closer to home, either in New Jersey or in another state with a Rolling Thunder Chapter. Let's not give up on our POW/MIAs and Veterans Issues because of the virus that is around the world and the corruption going on. Last year was a complete wipeout to doing most organization events. Let's show everyone in 2021 we are there for our Brothers and Sisters that served our Country and those left behind as POW/MIAs by a Government that asked them to fight another war for the Freedom of others.

Just where is our Country going? We have no strong current leadership and it seems their main goal is to destroy all the good the last administration accomplished. It hurts to see these new leaders tear our country apart and give a free pass to illegals and hurt our American citizens. Where are we going without good leadership? This is not about Republicans and Democrats, it is about individual politicians that care more about themselves and their power trip. If these politicians would put their hatred together and worked on the POW/MIA issue and other important issues facing our county, much would be done. The media distorts the true news to the American public changing everything into black and white. We are all Americans we should not let the media separate us.

What do American citizens have to look forward to? When a newly elected administration puts foreign illegal aliens before American citizens something is wrong. What was done to the U.S. Capital on January 6th was wrong, but what does it take to wake up Washington D.C. officials? Our democracy stands to have a free honest election to elect those we choose to lead us. This last election was so corrupt it makes many of us ask why did we ever serve in the Military, for what? What ever happened to Of the People, By the People and For the People?

Remember our POW / MIAs, our Troops serving and God Bless the United States of America! Hope to see you at Rolling Thunder XXXIII, “Ride for Freedom” Demonstration Nationwide.

Sincerely,

Sgt. Artie Muller
